

REMARKS

This US application claims priority from PCT/GB2004/002471 filed on 10 June 2004 and GB 0313375.8 filed on 10 June 2003.

The U.S. Patent Office is hereby requested to examine the application as amended. The amendment to the specification was made to include the priority information and to conform to US patent format. No new matter has been added by making these amendments.

If the patent examiner has any questions or comments, he/she is respectfully requested to contact applicants' attorney at the telephone number indicated below so that additional amendments may be added as required.

Respectfully submitted,

Ian McDowell, et al.
